## INDIE ROCK MADE IN GERMANY

---

CASUAL FRIDAY is an Indie Rock band from Frankfurt/Germany, playing an energetic style of guitar- and piano-based original tracks.

While CASUAL FRIDAY's sound is influenced heavily by British bands of the last decades, such as Arctic Monkeys, The Kooks, Coldplay, Keane and David Bowie, they combine these sounds in a way that has not been heard before.

# Lyrics of Love and Life Meet the Energy of Indie Rock

---

CASUAL FRIDAY combine their unique and energetic sound with timeless lyrics about love, life and society that everyone can connect to.

With more than 100 gigs all around Germany and their first album with release in summer 2017 the guys are ready for their next level.

Studio Album Released on  
22/07/17
